Hidden Hills
COUNTRY CLUB

3901 Monument Road
Jacksonville, Florida 32225
(904) 641-8121 • www.hiddenhillsgolf.com

*B*uilt in 1966, Hidden Hills has been the premier private club of the north Jacksonville area ever since. Its purchase in 2003 by the Libby Family has brought the special warmth of a family club unmatched anywhere else on the First Coast. Local ownership allows us to offer personalized attention to our members and their needs, with the stability and commitment of a family that lives and works here. We live out our reputation for excellence every day.

The traditions and gracious service you expect from a fine private country club are polished to perfection by our experienced staff. Our 40,000 square foot clubhouse is designed to exude a sense of comfort whether you're here with a business group, a new client, or your family and friends. Majestic oaks and towering pines abound, bringing the beauty and bounty of nature to soothe your senses and refresh your spirit. Morning mists that rise from the rolling fairways reveal views of North Florida hills seldom seen anywhere in Jacksonville.

Hidden Hills was once home to the Greater Jacksonville Open, the forerunner of today's PLAYERS Championship. In a 1986 redesign, Arnold Palmer created an unforgettable, 6,892 yard course that made excellent use of our rolling hills and knolls to set up one of the most unique challenges in golf in Florida. Sharp doglegs, strategically placed ponds and elevated greens offer some great golfing adventures. And our five sets of tees allow everyone to enjoy playing Hidden Hills, no matter what your skill or level of play.

Our eight lighted Rubico clay tennis courts are maintained to the highest possible standards. The fitness center contains all the workout equipment you need to push yourself toward peak physical condition, including treadmills, Precor treadmills, steppers, Status stationary bike and Magnum strength machines. Our clover-shaped swimming pool has shaded areas for relaxing and a Cabana snack bar open seasonally with cold drinks, sandwiches, salads and treats.

The gently rolling hills let you feel away from the hustle and bustle of the city...yet Hidden Hills Country Club is only minutes from downtown and strategic business locations. Step inside and see all the ways we can help you make it a pleasure while you are
